

## Chinquapin Technology Loan Program

The extent of the loan period will be determined according to enrollment. At the end of the loan period, the student must return his or her laptop to the school.

- The Chromebooks are provided for academic use. The Chromebooks should not be used for entertainment except during designated free times. They should not be used for anything other than academic purposes during classes or any study hall periods.
- The students are responsible for the security and care of these loaned computers. The cost to replace or repair lost/damaged equipment will be added to the student's tuition.

**The student and guardian (signatory below) are responsible for the computer, including theft and accidental damage. Violations to the policies outlined herein will result in the termination of the loan.**

Students may **NOT** use their computers:

- During class or study hall without teacher permission
- To play games, watch movies, or for any other non-academic purpose except during designated free times.
- To copy or store data or software found on Chinquapin computer systems
- To hack or otherwise disrupt Chinquapin computer resources
- To create, store, or distribute data or software which is disrespectful, pornographic, offensive, hateful, or suggests violence towards any person, sex, ethnic group, or race
- To conduct business transactions
