Dear Friend of Chinquapin,

Good news! Chinquapin's annual sporting clays benefit is coming up. We hope you'll join us **Monday, November 9, 2020**, at Greater Houston Sports Club. We're changing it up a bit with a morning shoot followed by lunch, live music, cold beer, and auction. Should be a good time.

Chinquapin Prep is a privately funded, state-accredited, college preparatory boarding and day school in Highlands, Texas. Founded in 1969 by Robert P. Moore, former chair of the English Department at St. John's School in Houston, the school's mission is to provide a high-quality college preparatory education to able and motivated 6-12 graders from Houston's under-resourced communities and schools. We provide a better future through education. **100% of Chinquapin's students are accepted into college, 86% graduate college, and an additional 37% go on to receive post graduate degrees!**

For over 50 years, Chinquapin's transformative educational model has set up students for success. Our diverse network of alumni are leaders who give back to their communities and whose contributions positively impact the public and private sectors.

Enclosed you will find sponsorship information. Should you have any questions regarding the event, please contact Laura Hipps from Chinquapin.

Looking forward to seeing you **November 9** at Greater Houston Sports Club!

Regards,

Freddie Barela, Sam Bowen, Jr., Andrew Kollaer, Will McDaniel
